# Public Notice of Application for Permit

COMMENT PERIOD TIME EXTENSION

14 September 2005

POA-2005-1243  
Simpson Lagoon

On 15 August 2005, the Alaska District Corps of Engineers published a Public Notice POA-2005-1243, Simpson Lagoon, for an application received for a Department of the Army permit from Kerr-McGee Oil & Gas Corporation for construction of the Nikaitchuq Development Project offshore of the North Slope of Alaska. The project would include: 3 offshore islands, 1 onshore pad, pipelines from the islands to shore buried below the seabed, above-ground pipelines from the shoreline pad to tie-in locations on existing pipelines, a metering pad, and placement of overburden into open cells at the mine site for site rehabilitation.

The Corps has received and granted a request to extend the public notice comment period for an additional 30 days. The original comment period closed September 15, 2005. The 30-day extension will result in a new Public Notice comment closing date of October 17, 2005.

All other information contained in the previous notice remains the same. Please bring this announcement to the attention of anyone you know who is, or may be, interested. Please contact Ms. Terry Carpenter at (907) 753-2716 or toll free from within Alaska at (800) 478-2712, if further information is desired concerning this notice.
